HIGH SCHOOL SENIORS

GEORGIA MATCH will show you which of the 22 TCSG and 23 USG colleges and universities you are eligible to attend.

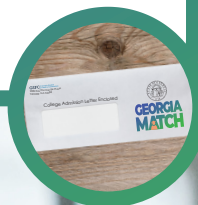

YOU HAVE OPTIONS HERE IN GEORGIA!

- Attending a college or university in Georgia is affordable.
- Education beyond high school is important for your long-term earning potential.
- TCSG and USG colleges and universities are close to home for almost all Georgia students.

HOW DO I SEE MY GEORGIA MATCH?

- A letter will be mailed to all public and private high school seniors identifying all of the TCSG and USG colleges that they are academically qualified to attend (confirmed match based on HOPE GPA.)
- The GEORGIA MATCH letter will show students who may have never contemplated on applying just how many colleges they could attend.
- The letter will be sent in October, allowing students to take advantage of November's Apply to College Month and waived applications fees.

NOW WHAT?

Student will sign into their GAfutures account and access their GEORGIA MATCH Dashboard to take action.

The student's GEORGIA MATCH dashboard will include a copy of the letter, the list of institutions for which the student meets the preliminary academic requirements for admission and a call to action.

Students can then choose to "Request Information" from a college or "Claim Your Spot" if they are ready to begin the application process.

- Request Info: the college will contact the student and share standard recruitment materials.
- Claim Your Spot: the college will contact the student with information about completing the application process for Fall term 2026.
