

Billingsley School

Vision

Learning Today...  
Leading Tomorrow

Mission

Our mission is to create an environment conducive to facilitating optimal learning for all students.

Beliefs

Our belief is to create and sustain learning that will serve as a foundation for life. We strive to maximize learning opportunities for all students with the realization that each student can be a positive influence in his or her community.

Positive School Culture

Objectives

- Billingsley School will promote and encourage a positive learning environment.

Critical Initiatives

- PBIS will continue to be evaluated, improved and implemented in grades K-12.
- An attendance committee has been established to monitor and address chronic absenteeism.
- A sunshine committee is in place to increase faculty morale.

Academic Achievement

Objectives

- Billingsley School will show growth in academic achievement.

Critical Initiatives

- An after school tutoring program has been established to address specific student academic needs.
- Teachers participate in regularly scheduled meetings to review student data and instructional practices.
- Teachers will be provided professional development opportunities through state, regional, and local specialists.
- MTSS/RtI teams will meet regularly to identify student academic needs, plan strategic interventions, and evaluate student progress.

Parental Involvement

Objectives

- Billingsley School will increase parental involvement.

Critical Initiatives

- Establish a means of open communication between all stakeholders.
- Activities will be scheduled throughout the year to encourage parental involvement and community support.
- A parent liaison will facilitate communication with stakeholders.
- Inform stakeholders of school activities and pertinent information.

Key Measures

- Reduce the number of student infractions.
