Homework

- Homework will be given on an as needed basis and primarily through handouts and the textbook workbook.
- Homework is expected to be completed and brought back the next day. This class moves at a fast pace. You will need to practice the topics to keep up and be successful!

Make Up Work

- Students have three school days from the date of their return to complete and submit all make-up work. Completed make-up work should be placed in the designated submission box by the deadline. Make-up work will be graded with the same standards as regular assignments. Arrangements for make-up tests and quizzes must be made with the teacher and completed within the same three-day period unless otherwise specified. It is the student's responsibility to follow up with the teacher and ensure they understand the material covered during their absence.
- If an absence is unexcused, make up work can NOT be completed, so please return with an excuse!
