Community Education
218-385-4203

In order to better educate your son/daughter, there are times during the year that a local field trip may be in order to enhance the curriculum at New York Mills Elementary. Although field trips are not an everyday part of the curriculum, teachers and students alike enjoy hands-on learning that can best be understood by being out in the public.

Please consider signing the slip below to allow your son/daughter the privilege of going on these educational trips around the city of New York Mills.

(When your child's class chooses to take a field trip outside of the community of New York Mills, a separate permission slip will be sent home to inform you of all the details of that trip.)

Please sign and return this form if you are willing to allow your child to partake in any local field trips for the school year.

Thank you for allowing us to educate your child.

Judith Brockway
Elementary Principal

Please allow my (son/daughter) _____ to go on all local field trips with his/her class during the school year. I understand that when the class goes on field trips outside city limits, a separate letter will be sent home asking for permission to go on that trip.
