Dr. Heath Burch
Perry Middle

What do you love about your school?

I love the people! Perry Middle School isn't the brick, mortar, and classrooms. The students, staff, and families are Perry Middle School, and we are blessed with great ones!

What do you love most about being a principal?

I take pride in serving others. I love the excitement that a student or a teacher has when they experience success or reach a goal. I am fortunate that I have the opportunity to serve and help others achieve excellence.

Tell us about the person who inspired you to become a leader.

I owe all the credit to my parents! They inspired me to become an educator and motivated me to continue my service to others through school leadership.

Fun Fact

I started my educational career at the high school level and thought I would never leave that age group. Never say never! I made the transition to middle school years ago and have loved every minute of it. I guess I'm just a big kid in an old man's body.
