SMK8 SCHOOL

St. Matthews K-8 School strives to do what's best for children, by providing them with empowering opportunities to compete and succeed in a global society. Through daily practice of Cardinal Character traits, students use critical thinking and problem-solving skills to engage in rigorous and multiple paths of learning. Teachers facilitate effective research-based individualized

instruction that is aligned to the SC Ready standards in order to meet the needs of all students.

The ultimate goal of St. Matthews K-8 School is to continue to develop students who are knowledgeable and confident academically, socially, and emotionally in order to compete globally. We have, can and will do what's best for children.
