

Dear Volunteer,

WELCOME to JP2 and THANK YOU for stepping up to volunteer! We couldn't accomplish ALL we do without the help of people like you willing to give of your time and talent. We truly APPRECIATE all you will do! To get you on board quickly, simply complete the following steps:

1. Create a Virtus Online account which can be found at the following link: <https://www.virtusonline.org> By creating an account and answering basic questions, a background check will be triggered.
2. Next, complete the Virtus Online Youth Protection training. This is a Diocesan required mandatory class that is free. When you finish this training, please email me at dolszewski@jp2falcons.org, to let me know that you have completed the course and what activity you are volunteering for. Then, I will watch for your background results and print your training certificate.
3. Finally, fill out the Diocese of Birmingham in Alabama Driver Information Sheet. (This particular piece must be updated yearly).

Please bring the completed documents to the school's front office to my attention: Diane Olszewski, Volunteer Coordinator. At that time, I will process your request which normally takes about two-to-three days. When I receive your clearance, I will email you to let you know that you may start volunteering.

Again, thank you so much for believing and participating in the mission of our school: To learn enthusiastically, lead honorably, and live responsibly.

Blessings,

Diane Olszewski
JP2 Volunteer Coordinator
