AMERICAN SPEECH-LANGUAGE-HEARING ASSOCIATION AWARD WCS D EDUCATOR

Williamsburg County School District announces Mrs. Amy Ivey, WCS D Speech-Language Pathologist, was granted a 2nd Award for Continuing Education (ACE) in November 2025. Speech Language Pathologists and Audiologists may meet the requirements of the ACE by earning seven American Speech Hearing Association (ASHA) Continuing Education Units (CEUs), which is equivalent to 70 contact hours in a thirty-six-month period.

Credit toward the ACE must be earned within three years; however, some individuals complete the requirements in less time and are awarded successive ACEs in less than three years. ASHA encourages professionals to continue learning throughout their professional careers and to maintain current knowledge and skills. To facilitate this, ASHA approves providers to offer relevant continuing education activities and to recognize professional participation through the ACE.

Mrs. Amy E Ivey joins a select group of individuals who have made a concerted, personal effort to continue professional learning beyond an academic degree.

The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.
