Superintendent Report

Facility Projects

Work on the Main Entrance renovation has moved inside for the winter. The construction area has been enclosed with a temporary heavy plastic barrier for added safety and to prevent the spread of dust and debris.

The T-12 Library/lounge project is in the final design phase, Materials are being ordered and should begin arriving onsite in the next couple weeks.

New School Bus

A new school bus has been ordered from Hartley's. The bus is a newer version of our current 2020 route bus and will have all the bells and whistles. The purchase price was much more expensive than originally projected, \$164,500, but we have more than enough in our bus depreciation fund to cover the cost and have some reserves leftover. To offset a portion of the expense of the new bus, I intend to sell or trade-in our 2017 school bus. The new school bus is expected to arrive in late March of 2024,

Fire Extinguisher Cabinets

I am purchasing 6 new heavy-duty cabinets for our gym, weight room, and hallway fire extinguishers. These cabinets will be more secure and better protect our extinguishers from accidents. The cost of these cabinets is under \$2,000 and we will have to install them.

National Indian Impacted Schools Association (NIISA) Conference

The MISA conference will be held Sunday, December 10th - 12th at Harrah's Casino in Las Vegas. If you wish represent our school district at this conference, please contact me so I can begin making arrangements.

Fort Peck & Roosevelt County Crisis Coalition Meeting

Fort Peck and Roosevelt County are partnering to create a Crisis Coalition that will consist of, "stakeholders, community leaders, partnerships, and peers" within the county and Reservation. This coalition's goals are to, "address suicide, overdose, mental health, elderly care" and other important community issues. The first meeting of the coalition is scheduled for Wednesday, Nov. 15 at 1 1:00 a.m. in Wolf Point's Sherman Inn
