The school's Spirit Team hosted a fun Halloween Spirit Week for students, staff and parents. The week involved daily dress ups of Memes, Throwbacks, Super Hero or Villain, Halloween and Fabulous Freaky.

The highlight of the week was Halloween day. The day began with the department trick-or-treating. All students visited the departments and got candies from staff. Majority of the students and staff showed their Halloween spirit by dressing up in their costumes. A class costume parade and contest were held in the gymnasium. Students were judged in categories of Most Original, Scariest and Fairest. Prizes were awarded 1<sup>st</sup> to 3<sup>rd</sup> in each category per class. A contest for staff also happened.

In addition to the Halloween day events, other events also took place during the week such as Classroom Parties, Pumpkin Decorating Contest, Classroom Door Contest, Carnival, Dance and Movie. Thank you to the LCS Spirit Team.

### LCS 'Girls on the Run' Program

LCS had a successful season for the 3<sup>rd</sup> to 5<sup>th</sup> grade 'Girls on the Run' program. This season our team focused on making friends, learning important life skills, activating their star power, and emphasized the importance of relationships and community. Most importantly they exercised and practiced for their final 5k race with other schools at Buffalo Park in Flagstaff, Arizona.

Two of our students had the honor to run with a prayer stick and corn to celebrate Native American Heritage month. Our girls ran with a running buddy of a family member, program coach and a school staff. Running buddies expressed support and enthusiasm to encourage our runners to do their personal best as they ran in the cold weather. Families of our team were cheering along the trails with black and gold pom-poms. Congratulation Eagles! – Ms. Ben, Sponsor

### LADY EAGLES TAKE RUNNER-UP

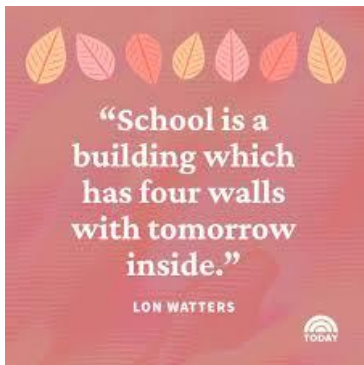

I wanted to take a moment to congratulate our Lady Eagles for an outstanding performance during the

NEAAA Volleyball Finals. Finishing as the Runner-Up is no small feat, and it's a testament to the hard work, dedication, and heart that each of them brought to the court.

I am incredibly proud of the level of play they demonstrated. Despite being a young team, they showed grit and determination that speaks volumes about their character and potential. They've proven that age is no barrier when it comes to giving your best and competing at the highest level.

Their talent and teamwork are setting the foundation for what's to come. Whether they are moving on to high school or junior high, I have no doubt that they are more than ready for the challenges that lie ahead. This accomplishment is just the beginning for our young Eagles.

Congratulations again to our Eagles on a job well done. I am very proud of them! – Mr. Smiley, Coach
