Blank Pages (to write in your own words)

Materials needed: Dab-A-Sound page, dice, dauber (dotter/dabber) You can also use crayons, markers, or colored pencils to color in the picture if you don't want to use a dauber.

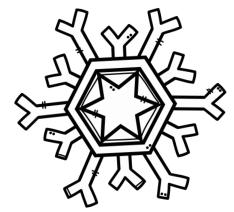

To use: print out the desired page. The student will roll a die or dice and pick a word to practice on their page. The student will practice that word the number of times on their die/dice. After they are finished practicing, they will "dab" in the circle or color the picture.

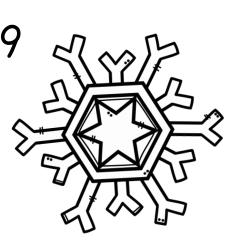

Drill Sheet: Use any speech or language card deck, game, or app. Color in a marshmallow/snowflake after each trial. Try to fill up the whole page!
