REGISTRATION

Registration: Begins March 18

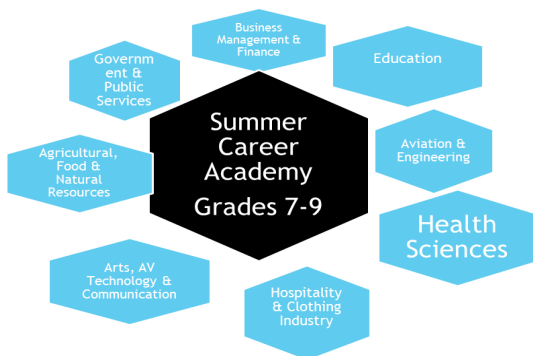

Invitations: Invites will be emailed mid-March

Students will receive invites with their assigned career cluster.

Confirmation Emails: May 15, 2022

GENERAL INFORMATION

- Students will receive instruction in Math, Science, and English.
- Special School District (SSD) will provide support to ensure equity and access for all students.
- Students will prepare and present a cross-curricula culminating project.
 - ⇒ Parents will be invited
 - ⇒ Field experiences will be scheduled.

JSD COLLEGE PREP INFORMATION

You are entering an exciting and important phase in your life; junior high/high school. We will help students transition into the seventh grade and ninth grade. The focus on college preparation includes math and English skills that build a strong foundation in preparation for the fast-paced college prep curriculum during the school year. College visits will be scheduled as well.

- Invites for the 2022-2023 school year college prep program will be emailed to parents mid-March.
- College Prep criteria includes test scores from the district benchmark, class grades, attendance and citizenship.
- Students in the college prep program **are required to attend the extended summer program** the month of June.
- College prep students also participate in the Maryville Coding camp the month of July.

CP Virtual Parent Meeting: Invites will go out via email

JSD HIGH SCHOOL CREDIT RECOVERY & ENRICHMENT

Credit is being earned, therefore 60 hours of attendance is a MUST. Attendance for summer school is required daily. Students missing more than one day will be excused from the program.

Student code of conduct and discipline will be strictly enforced during this time.
