PORTAGE AREA EL SCH

84 Mountain Ave

Schoolwide Title 1 School Plan | 2023 - 2024

VISION FOR LEARNING

Our vision for learning at Portage Area Elementary is to ensure that equitable and effective instructional practices are implemented in order to meet the unique needs of all students.

STEERING COMMITTEE

| Name | Position | Building/Group |
|-------------------|----------------------------|------------------------------|
| Jennifer Pisarski | Principal | Portage Area Elementary |
| Kelly Mignogna | Title 1 Coordinator | Portage Area Elementary |
| Lauren Sinclair | Title 1 Teacher | Portage Area Elementary |
| Kaytlin Sumner | Community Partner | Portage Public Library |
| Cara Harabaugh | Education Specialist | Portage Area Elementary |
| Pete Noel | Chief School Administrator | Portage Area School District |
| Carrie Garlesky | Education Specialist | Portage Area Elementary |
| Rita Kalwasinski | Parent | Portage Area Elementary |
| Sarah Blaylock | Education Specialist | Portage Area School District |
| | | |
| | | |
| | | |
| | | |

ESTABLISHED PRIORITIES

| Priority Statement | Outcome Category |
|---|---|
| Title I teachers will push into the regular education classroom during mathematics time. They will work with the classroom teacher to provide Tier II supports. | Essential Practices 3: Provide Student-Centered Support Systems |
| We will provide professional development so that our staff understands MTSS and how it could work in our building. We will maximize the use of our staff and schedule to provide as much extra support as possible. | Essential Practices 4: Foster Quality Professional Learning |
| Through the use of social media and Family Engagement Nights, we will reach out to families so that the have a greater connection to the school. | Parent and family engagement |
| Support staff needs more individual time to work in a small group capacity with our students with disabilities to meet their needs and help them achieve grade-level goals. | Essential Practices 3: Provide Student-Centered Support Systems |
| Our Title teachers will begin to provide small-group instruction during the math block. We will use Acadience math data to determine groups. | |

ACTION PLAN AND STEPS

Evidence-based Strategy

Family Engagement

Measurable Goals

| Goal Nickname | Measurable Goal Statement (Smart Goal) |
|-------------------|---|
| Family Engagement | PAES will engage families weekly through social media and welcome families for two Family Engagement Nights throughout the course of the school year. |

| Action Step | Anticipated Start/Completion | Lead Person/Position | Materials/Resources/Supports Needed |
|---|---------------------------------|--|--|
| Through family nights, literacy bags, PTO and community events, and technology, our district will partner with families to improve the educational experience for all our students. | 2023-08-24 - 2024-05-24 | Kelly Mignogna, Assistant Principal/Title I Coordinator | money, technology, cooperation of district personnel |

Anticipated Outcome

More families will attend PTO and family nights than in the past. More families will sign up to receive literacy bags. More families will interact with the district through social media efforts.

Monitoring/Evaluation

Sign-in sheets at all events will allow us to keep count of the number of families reached with each event. We will keep tally of the number of literacy bags that go home.

Evidence-based Strategy

Small Group Instruction

Measurable Goals

| Goal Nickname | Measurable Goal Statement (Smart Goal) |
|----------------------------------|---|
| Learning Support Small Groups | Learning Support teachers will work with their students both in small groups in the regular ed classroom as well as pull-out groups if necessary 1.5 hours daily for both ELA and math. |
| Title Math | Title I teachers and Title aides will push into Grades 1 through 3 daily during mathematics to assist with small group (Tier II) instruction. |
| MTSS | By the end of the school year, ALL staff will understand the basis of MTSS and begin to implement Tier II in the regular education classroom. |

| Action Step | Anticipated Start/Completion | Lead Person/Position | Materials/Resources/Supports Needed |
|--|------------------------------|---|--|
| Small groups will be utilized in the regular education classroom (Tier I and II) and learning support classrooms to individualize instruction to meet the needs of all our learners. | 2023-08-24 - 2024-05-24 | Kelly Mignogna, Assistant Principal and Title I Coordinator | time to review data, professional development on small group instruction |

Anticipated Outcome

More students will reach grade-level benchmarks due to the increased focus on student need.

| Monitor | ina/Eva | luation |

APPROVALS & SIGNATURES

Assurance of Quality and Accountability

Assurance of Quality and Accountability

The Building Administrator, Superintendent/Chief Executive Officer and President of the School Board will affirm the following statements.

We affirm that our school has developed a School Improvement Plan based upon a thorough review of the essential practices to advance educational programs and processes and improve student achievement.

We affirm that the action plans that we will be implementing address our specific school needs, include strategies that provide educational opportunities and instructional strategies for all students and each of the student groups, increases the amount and quality of learning time, and provides equity in the curriculum which may include programs, activities, and courses necessary to provide a well-rounded education. These plans address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards.

We, the undersigned, hereby certify that the school level plan has been duly reviewed by the Building Administrator, Superintendent of Schools and formally approved by the district's Board of Education, per guidelines required by the Pennsylvania Department of Education.

We hereby affirm and assure that the school level plan:

- Addresses all the **required components** prescribed by the Pennsylvania Department of Education
- Meets **ESSA requirements**
- Reflects evidence-based strategies that meet the three highest levels of evidence outlined in ESSA
- Has a high probability of improving student achievement
- Has sufficient **LEA leadership and support to ensure successful implementation**

With this Assurance of Quality & Accountability, we, therefore, request the Pennsylvania Department of Education grant formal approval to implement this school level plan.

| Chief School Administrator | | |

ADDENDUM A: BACKGROUND INFORMATION TO INFORM PLAN

Strengths

Increase in ELA and Mathematics Proficiency

Regular Attendance

Advanced Academic Growth Expectations in Mathematics/Algebra 1 PVAAS

Fountas and Pinnell Benchmark Assessment System allows for students to be reading texts that are on their individual reading level.

Acadience Reading assessments provide data that indicate the overall effectiveness of the core reading program as well as assessing students' progress in response to instruction and interventions.

LinkIt! allows teachers to identify which standards need more reinforcement on a Tier I and Tier II level.

Advanced Academic Growth Expectations in English Language Arts/Literatures PVAAS

Acadience has allowed us to see which students need more support towards reaching grade-level goals in reading. We are

Challenges

Not meeting Mathematics or ELA goal with our students with disabilities on State Assessments

Not meeting mathematics goal with our economically disadvantaged students on state assessments

Decrease in Advance in both ELA and Mathematics

Providing additional support services to students who are not meeting grade-level standards in mathematics.

Having a variety of speakers to discuss various occupations with the students due to work schedules and availability

Students do not receive career education classes as part of the regular curriculum. It is added to each grade level as necessary.

Percentage of students meeting or exceeding benchmark standards of performance is below our goal of 80%.

We need to provide more support to mathematics.

We are looking to purchase updated math curriculum that better aligns to the Common Core Standards.

Strengths

able to use our Title services to provide extra support to these students.

LinkIt! allows teachers to see which grade-level standards need reinforced as a whole or on an individual basis.

Linklt! indicates students' strengths and weaknesses in order for teachers to provide enrichment or remediation.

Allows teachers to see what standards have been met on a gradelevel and individual basis.

Career interest inventory allows students to begin to see what careers they may enjoy.

Grade-level job fair exposes students to jobs in the real-world.

The Reading/ELA curricula are new and aligned with grade-level standards.

The leadership staff is dedicated to providing continuing professional development for staff to build their knowledge and skills of evidence-based practices such as MTSS.

Grade-level, career-related activities

PVAAS data allows us to see the progress of individual groups so that we can adjust schedules, staff, and curriculum accordingly.

Challenges

Continue to build our MTSS for literacy and math instruction and intervention to improve student achievement.

Outdated science curriculum

Limited time in the daily primary schedule to cover science content

Find ways to get families involved in more of the programs/activities that we offer.

Increase fidelity of implementation of the core curricula to ensure maximum level of effectiveness is achieved.

We need to show further growth in performance within the students with disabilities and economically disadvantaged groups.

Strengths

New leadership has brought much positivity and a forwardthinking mindset to help build our positive school environment.

Acadience Math assessments provide data that indicate the overall effectiveness of the core math program as well as assessing students' progress in response to instruction and interventions.

Most Notable Observations/Patterns

We need to increase parent engagement to support our students' achievement. We also need to improve our MTSS structure to provide extra support to those students who may not be reaching benchmarks or grade-level goals.

Challenges Discussion Point Priority for Planning

Not meeting Mathematics or ELA goal with our students with disabilities on State Assessments

Not meeting mathematics goal with our economically disadvantaged students on

Will use Acadience math data to formulate small groups during title push-in time.

| Challenges | Discussion Point | Priority for Planning |
|---|--|-----------------------|
| state assessments | | |
| Providing additional support services to students who are not meeting grade-level standards in mathematics. | When students receive extra support during E/I time, it is always for reading. It is hard to provide both math and ELA support during E/I time because usually students who need help in ELA also need help in math. | ✓ |
| We are looking to purchase updated math curriculum that better aligns to the Common Core Standards. | | |
| Continue to build our MTSS for literacy and math instruction and intervention to improve student achievement. | Our staff has limited knowledge of MTSS. Our master schedule is not ideal for providing all of the supports we need. We are also limited in staff to provide these supports. | ✓ |
| Find ways to get families involved in more of the programs/activities that we offer. | Many families are busy and/or not familiar with the curriculum we teach. Some families are disconnected from the school. | ✓ |
| Increase fidelity of implementation of the core curricula to ensure maximum level of effectiveness is achieved. | Continuous professional development opportunities will be offered to support teachers' implementation of the curriculum. | |
| Percentage of students meeting or exceeding benchmark standards of performance is below our goal of 80%. | Some students need more support than we are currently giving to reach grade-level goals. Some students also have attendance issues which inhibit them from reaching their full potential. | |
| We need to show further growth in performance within the students with disabilities and economically | | |

| Challenges | Discussion Point | Priority for Planning |
|---|---|-----------------------|
| disadvantaged groups. | | |
| We need to provide more support to mathematics. | will use acadience math to reach this goal. | ✓ |

ADDENDUM B: ACTION PLAN

Action Plan: Family Engagement

| Action Steps | Anticipated Start/Completion Date | |
|---|---|--|
| Through family nights, literacy bags, PTO and community events, and technology, our district will partner with families to improve the educational experience for all our students. | 08/24/2023 - 05/24/2024 | |
| Monitoring/Evaluation | Anticipated Output | |
| Sign-in sheets at all events will allow us to keep count of the number of families reached with each event. We will keep tally of the number of literacy bags that go home. | More families will attend PTO and family nights than in the past. More families sign up to receive literacy bags. More families will interact with the district through social media efforts. | |
| Material/Resources/Supports Needed | PD Step | |
| money, technology, cooperation of district personnel | no | |
| | | |
| | | |

Action Plan: Small Group Instruction

| Action Steps | Anticipated Start/Completion Date |
|--|---|
| Small groups will be utilized in the regular education classroom (Tier I and II) and learning support classrooms to individualize instruction to meet the needs of all our learners. | 08/24/2023 - 05/24/2024 |
| Monitoring/Evaluation | Anticipated Output |
| Classroom observations by administrators to ensure small groups are being used and quarterly analysis of LinkIt! and Acadience data to monitor progress | More students will reach grade-level benchmarks due to the increased focus on student need. |
| Material/Resources/Supports Needed | PD Step |
