

Dear Brimfield families,

I write to ask for your patience and understanding as our district navigates the latest changes to the COVID-19 guidance and rules for Illinois schools.

Friday evening, an Illinois judge ruled on a lawsuit filed by more than 700 parents across the state that challenged state-mandated COVID-19 mitigations.

At this time, we are in the process of reviewing the judge's decision and will communicate with you as soon as possible whether this ruling impacts Brimfield CUSD #309 students and staff members.

Until then, I ask for your patience as we review this decision.

Thank you for your continued support of our students, teachers, and staff. While it has been a difficult year, we will continue to push forward together.

Sincerely,

Tony Shinall
Superintendent
