Principal's Notes:

Odem Junior High School Owlets have been working hard and are having a great time. We are proud of our students and the hard work they put in. They show their dedication in their school work all the time. Our 7th and 8th graders are excited to have their first track meet on February 17 they can't wait for their track season to start. Meanwhile our 6th graders are enjoying their first school year here at Junior High and are loving it. Our students success is amazing and how far they have come they improve everyday. This year has flown by really fast! We would all like to thank our staff members they are very helpful and are amazing!
