

St. John XXIII Eligibility

To be eligible to attend practice and games, all students must maintain a 2.0 GPA and be passing all major academic subjects. For students who do not attend St. John XXIII Catholic School, a letter of good standing will need to be completed and signed by a school official. Students who face disciplinary actions for behavior may be deemed ineligible to practice or play in athletic events. Students who are ill, may not attend practice or games. If a student misses school and/or is sent home by the school nurse, they are ineligible to practice or play that day. Should this occur on a Friday, the student is ineligible to practice or play for the entire weekend.
