OF THE QUARTER

Brooke Sonsalla

Brooke Sonsalla (10th) is a self-motivated student that works hard and independently. She consistently completes homework assignments and exceeds expectations with her quality of work.

Student

NYM HIGH SCHOOL

OF THE QUARTER

Henry Oakes

Henry Oakes (9th) is a hard-working young man. He goes above and beyond in the work he completes. He participates in class daily and usually keeps the conversation going when it is at a halt. When Henry completed his work he helps others within his table group. Henry might be known for his humor but in health, he knows when it is appropriate to use it and when not to.
