

## John Harman

John Harman is a 2012 Central High School Graduate. During his time at Central, baseball was his passion over all other sports. He played four years of varsity baseball where he saw much success. His sophomore year, he was picked to represent Team Georgia in the 2010 Team USA Junior All-Stars. While at Central he made the Times Georgian All Area team three years and his senior year was named All-Area co-pitcher of the year. In addition, the Georgia Dugout Club named him to their 2012 All-State Baseball Team. In his final pitching performance against Carrollton, John threw a complete game no-hitter to close the book on his high school pitching career.

After he graduated from Central, John went on to play four years of collegiate baseball, two of which were at Darton Junior College and the final two at Western Kentucky University. In his two years at Darton, John was named to the All-Region baseball team and named an Academic All-American. He was a member of the 2014 National Junior College All American team. During his time at WKU, John earned a starting pitcher role and faced several high-level division one schools such as Rice, Mississippi State, Southern Miss, Vanderbilt, and Georgia. He graduated from Western Kentucky in 2016.

John loves God, his family, his community and Central High School. John now resides here in Carrollton where he works for Southwire as a salesperson. His passion for baseball and CHS continues. During his spare time he regularly gives pitching lessons to many future Lions.

Central High School Class of 2015, Mr. John Harman
