

# JANUARY'S HIVE Newsletter

## What's Happening This Month:

We hope everyone had a wonderful Christmas break! Can you believe it's 2025, where has the year gone? The first semester of school has come to a close and we are now beginning our second. All students return from break on Monday, January 6th, 2025.

Remember to please make sure your child comes dressed to go outside for recess. We also have students who forget their coats or hoodies outside. We usually bring these in and place them on the coat hooks for them to identify and take home. A good idea would be to write your child's name on the inside tag of the coat to help them identify theirs and make sure they are taking home the correct one. Also, with winter weather comes the chance of school closings. Please make sure that your information is updated in PowerSchool so that you will receive the alerts when they are sent out. You can also subscribe to Nixle via text, simply text any ZIP code or keyword to 888777. Nixle gives alerts for all local road and school closures.
