PARENT-STUDENT-SCHOOL COMPACT 2024-2025 SY

We, the Crazy Horse School community, establish this compact to foster the success of our students. We believe this is accomplished through the planned partnership of parents, families, students, teachers, and administrators. Goals that ensure academic achievement of the state standards; help every student develop a sense of responsibility and respect of self and others; and provide guidelines for meaningful two-way communication between home and school are guaranteed through the following responsibilities in this agreement.

Crazy Horse School Teachers will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables our students to meet the South Dakota state academic standards. Crazy Horse School academic goals for school year 2024-2025 are to increase assessment scores in reading, language arts and writing in all grades. In addition, I will:

Reading/Literacy

- Keep parents informed of the reading and math skills their children are learning, and how they can reinforce these skills at home.
- Guide students in selecting reading materials that match their interest and independent reading levels.

Study habits/Self-directed learning

- Teach students how to study and encourage active listening skills.
- Provide assignments relevant to daily instruction in accordance with the school's expectation for student academic success.

Respect/Responsibility

- Model and display responsible decision making and citizenship in all aspects of daily life.
- Maintain appropriate student behavior in the classroom so that all students can learn and be safe.

Community

- Communicate frequently with parents about their children's progress through quarterly report cards, and by notes, phone calls, and emails.
- Respond promptly to families' concerns, message, and requests for information.
- Hold parent-teacher conferences, bi-annually, during which this compact will be discussed as it relates to the individual child's achievement.

Crazy Horse School Students benefit when adults in their school community are bonded by strong relationships. They recognize that they, too, are partners with their parents and teachers in their success. I will:

Reading/Literacy

- Read regularly for pleasure as well as to learn.
- Ask my family to read with me or read to me 15 minutes each day 5 days a week.

Study habits/Self-directed learning

- Listen to my family, teachers, and others who help me learn, and ask questions when I need help.
- Complete my homework on time and in a thorough and legible way.

Respect/Responsibility

- Come to school on time, and ready to learn.
- Always try my best.
- Respect myself and the rights of others.

Community

- Deliver message from school to home and home to school to help inform my parents and teachers of events and activities that help support my learning experience.
- Encourage my family to participate in events and programs sponsored by my school community (e.g., Open House, Family Nights, Parent-Teacher-Student Conferences).

Crazy Horse School Parents/Families understand that involvement in their child's education is the number one determining factor in a child's academic success. To make education a top priority in our home, I will:

Reading/Literacy

- Read to or with our child 15 minutes per day 5 days a week.
- Help to reinforce our child's reading and math skills with direction of the teacher.
- Know our child's interests and encourage reading for pleasure.
- Discuss our child's progress in reading and math in ways that show our high expectations.

Study habits/Self-directed learning

- Make sure our child has a routine for homework that works for our family and follows our school's homework guidelines. If our child doesn't have homework on any given day, we will encourage independent reading time, (or read together if in K or 1st grade), review reading or math skills, or prepare for projects, quizzes or tests.
- Review our child's homework and sign student planner each night.
- Discuss our child's effort and potential in ways that show high expectations.

Respect/Responsibility

- Make sure our child attends school regularly, is on time, and is prepared to learn.
- Stress the importance of school and classroom behavior expectations in family conversations.
- Encourage my child to demonstrate respect for school personnel, classmate, and school property.

Community

- Communicate promptly with my child's teacher whenever a concern or question arises.
- Respond promptly to my child's teacher or the school regarding requests or information.
- Attend/participate in open house, parent/teacher conferences, Family Nights or other school events.

Our school helps to strengthen the family-school partnership to enhance student learning through our School Community Council, Parent Teacher Organization, Family Nights, parent workshops, classroom visits by parent, and communication about students' progress toward learning standards and state assessments. Family activities are posted on that school's website, the parent bulletin board in the foyer, and distributed through student delivery.

Please read and sign this Compact, then return it to your child's principal. We will refer to this compact at parent-teacher conferences and meetings that confirm our family-school partnership to enhance our students' learning.

Crazy Horse School Principal supports and encourages the efforts of all family-school partnerships in this school community.
