# Dr. Kelly Linkenhoker

Dear Salem High School Families,

As we reach the end of the first nine weeks, I wanted to reflect on our collective achievements, update you on our progress, and express my gratitude for your continued support. I love SALEM! Our students, staff, families, and community are AMAZING!

First and foremost, I would like to commend our dedicated students for their hard work and commitment to their education.

Our students have risen to the occasion these first nine weeks, demonstrating resilience and determination. Their efforts have not gone unnoticed, and we are proud of their academic growth and development.

Our teaching staff and support personnel have been instrumental in the success of our students. They have worked tirelessly to provide quality instruction, guidance, and a safe learning environment. Their passion for education and commitment to our students' success are commendable.

As we move forward, we are continuously focused on improving and enhancing the educational experience for our students. We are implementing new programs and resources to meet the unique needs of our diverse student body. We aim to ensure every student has the tools and support they need to thrive academically, socially, and emotionally.

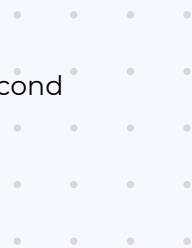

During the school year, we would like to encourage you to keep open lines of communication with your child's teachers and our administrative team. Your involvement in your child's education is invaluable, and we welcome your feedback, questions, and concerns. Together, we can ensure the success of our students.

We are excited about the opportunities and challenges the next nine weeks will bring. We are confident that we can achieve great things by working together as a school community. Your continued support and engagement make a significant difference in the lives of our students.

Thank you for entrusting us with the education of your children. We are honored to be a part of their educational journey. If you have any questions or need additional information, please feel free to contact our office.

I wish you and your family a fantastic beginning to the second nine weeks.

Sincerely,  
Dr. Kelly Linkenhoker  
Principal, Salem High School
