

Guiding Principles

- 1. Learning and attendance are important and should be taken seriously.**
- 2. A loving, caring, stable, and safe learning environment will be present at all times.**
- 3. Respect and empathy will be practiced by students, teachers, staff, parents, and the community.**
- 4. All children will be academically successful at or above their ability level.**

Belief Statement

We believe in our students and their success. We will create a stable and safe learning environment and build relationships to ensure they have the necessary academic, communication, and social skills to be college or career-ready upon high school graduation.

Vision

Working together to build relationships and facilitate a love of learning for our future graduates so they can become productive citizens
