PROGRAMMATIC, FISCAL, AND REPORTING ASSURANCES

The United States Department of Education (USED) has approved the application from the State of Alabama for ESSER funds under the CARES Act. The availability of funds is from 4/29/2020 to 4/29/2021. LEAs will be allowed to expend funds until 9/30/2022. Pre-award costs to the ESSER fund will be allowed for allowable cost incurred on or after March 13, 2020.

2. Allowable Service(s) Assurance

The LEA Superintendent or his/her authorized representative assures or certifies that:

The LEA will use ESSER funds for activities allowable under section 18003(d) of Division B of the CARES Act. The United States Department of Education **does not** consider the following to be an allowable use of ESSER funds, under any part of 18003: 1) subsidizing or offsetting executive salaries and benefits of individuals who are not employees of the SEA or LEAs or 2) expenditures related to state or local teacher or faculty unions or associations.

How will the LEA determine the most important educational needs as a result of COVID-19?

Autauga County Schools will conduct a comprehensive needs assessment to identify strengths, areas of improvement and specific challenges resulting from COVID-19. The six dimensions included in our comprehensive needs assessment include 1) teaching and learning; 2) support for student achievement; 3) leadership capacity; 4) professional capacity; 5) planning and operational effectiveness; and 6) family and community support. We will evaluate each of these areas using multiple sources of data (surveys, focus groups, student data analysis, budgets, etc.) and set priorities for improvement.

How does the LEA intend to assess and address student learning gaps resulting from the disruption in educational services?

Reliable formative assessment data will be key in assessing and addressing student learning gaps. Our goal is to have this data for as many students as possible prior to the first day of school. We will schedule a time for students to come to our schools and have teachers administer Performance Series and other applicable formative assessments. We will then hold data dives with teachers to identify specific needs of our students, both collectively and individually. Once school begins and we have thoroughly identified the learning gaps, we will devote daily instructional time to filling such gaps. We will provide personalized learning through individual and small group instruction. We will also use CARES funds to offer after school and summer tutoring specifically designed to close the learning gaps.
