IMMEDIATE RELEASE

August 25, 2025

WCSD STUDENTS RECEIVE MEDICAL BILLING AND CODING CERTIFICATES

Hemingway Career and Technology Center's Health Science program offers Medical Billing and Coding to senior students during their final semester. To become a certified medical billing and coding specialist, students must provide proof of high school graduation by submitting their diplomas during the application process.

We would like to congratulate Kenisha Nesmith, Uniq Graham, and Takhia Flager for successfully passing their certification tests on August 5th on their first attempt. They are now Certified Medical Billing and Coding Specialists. This certification will enable them to seek employment in physician office practices or any medical facility that conducts physician service-specific billing and coding.

We are incredibly proud of their achievement and wish them continued success in their career endeavors!
