Notice of Posting for Professional Position

May 15th, 2026

Working Together to Prepare Students for Life

Secondary Math/English Teacher: \$3,750 sign-on bonus

We are seeking a certified, highly qualified candidate to join our crew, Math and English certification preferred but will consider Math or English with another certification. Be a part of a team that is consistently recognized for high achievement! Onaway Schools has on-site daycare for children ages 30 months - school age, with a 30% employee discount. We also have free after-school programming to support working families. We have a full-service health center right in our building. Centrally located between Petoskey and Alpena, Gaylord and St. Ignace, we are an ideal place to live and work. With a low cost of living, tons of recreational opportunities, Black Lake in your backyard and Mullet and Burt Lakes just to the west, you can live full-time where everyone else comes to vacation. We have an up-to-date curriculum and a highly supportive environment. Come join us

General Duties & Responsibilities

Responsibilities include, but are not limited to:

- Maintaining positive and professional relationships with students, families, staff, and community members
- Providing high-quality instruction aligned to district curriculum and state standards
- Supporting student learning through intervention, collaboration, and data-driven practices
- Working collaboratively with instructional staff, support staff, and administration
- Participating in professional learning communities, district initiatives, and ongoing professional development
- Monitoring and documenting student progress to support academic achievement
- Supporting positive student behavior and a safe learning environment
- Participating in meetings, problem-solving teams, and school improvement efforts
- Demonstrating flexibility, professionalism, and a student-centered mindset in support of district goals

Required Qualifications

- Valid Michigan teaching certification
- Highly qualified status in applicable content area
- Certification in Math or English
- Ability to maintain positive relationships and communication with students, parents/families, and colleagues
- Ability to provide Tier I instruction and support student learning at multiple levels
- Ability to collaborate with Title I, Special Education, and other support staff
- Ability to document and analyze student data to support achievement
- Participation in professional development, team meetings, and collaborative problem-solving processes

Qualifications Preferred

- Dual certification in both Math and English
- Experience working within an MTSS framework
- Experience providing Tier II interventions
- Experience collaborating within professional learning communities (PLCs)
- Experience supporting student behavioral and academic interventions
- Strong collaboration and communication skills
- Willingness to participate in ongoing professional growth and mentorship opportunities
- Experience working in a highly collaborative school environment

Please email a statement of interest along with your credentials to Bryan Pyle, bpyle@oacsd.com.

ONAWAY SCHOOL IS AN EQUAL OPPORTUNITY EMPLOYER

The Onaway School shall not discriminate in its policies and practices because of an individual's race, color, religion, sex, age, national origin, height, weight, marital status, political belief, disability or handicap which does not impair an individual's ability to perform adequately in that individual's particular position or activity.

Any person suspecting a discriminatory practice should contact the Superintendent at Onaway Area Community Schools, 4549 M-33HWY, Onaway, MI 49765, (989) 733-4950.
