Thurs. 18th: Evening Winter Performance, 7:00 pm

Fri. 20th: 9:30am Start - 11:30am dismissal

Mon. 22nd - Mon. Jan. 5th: No School, Winter Break

Veterans Day Assembly

Thank you to everyone who joined us for our Veterans Day Assembly. It was a meaningful afternoon honoring those who have served our country. We are especially grateful to the parents, family members, and community veterans who attended and shared this moment with us. Your service, courage, and dedication are deeply appreciated by our school community. Thank you, Veterans!

WREATH ORDERS DUE TODAY Nov.14th

Please make sure to get your wreath orders to the office by the end of the school day TODAY! Thanks for supporting Evaline students! Orders can be picked up on Nov. 25th before 3:30pm and Nov. 26th before 11:30 am. Please check in with the office staff before picking up your order. There will be a prize of hot cocoa with marshmallows and whip cream for any student who sells at least one item. The hot cocoa prize will be served on Nov. 26th. There will also be prizes for our top 3 sellers!

Student Thanksgiving Feast 11/25/25

On Tuesday, November 25th, our students and staff, along with a few special guests, will gather for our Thanksgiving Feast! Students have been hard at work creating decorations and will also take part in helping prepare the meal. We're looking forward to enjoying a delicious turkey dinner together and sharing good conversation in the spirit of gratitude and community.

Transitional Kindergarten - 2nd Grade October Student of the Month: Jaxon Amburgy

Jaxon is October's TK-2nd grade student of the month. Jaxon is a wonderful example of what it means to always try your best. Every day, he works hard, stays positive, and keeps going even when things get tough. He never gives up and brings a great attitude to our classroom. I'm so proud of Jaxon's determination and effort.

Congratulations Jaxon!

3rd - 6th Grade October Student of the Month: Willow Davis

October's Student of the Month for grades 3 through 6 goes to Willow Davis!

Willow shows up every single day ready to learn and determined to do her very best. Several mornings a week, you can even find her sneaking into my classroom before school to take another AR test. She's already reached Leap 5! In ELA, Willow consistently gives thoughtful, detailed answers and sets a wonderful example for others. She's not only an outstanding student, but also a kind and supportive friend to everyone around her. **Congratulations, Willow! I'm so proud of you!**

TK and Kindergarten

Mrs. Tinnin

This week, kindergarten students are reviewing letter sounds. Your child should know the sounds for a, c, d, f, g, h, i, m, n, o, p, s, t, v, e, and z. Students are using these sounds to blend and read CVC (consonant-vowel-consonant) words. In writing, kindergarteners are practicing how to write complete sentences that begin with a capital letter, include finger spaces, and end with a period.

In math, we introduced the foundations of addition with numbers through 10. Students are learning about number bonds, which help them understand that two parts come together to make a whole.

TK students began their new Animals module! In this unit, they will explore animals' basic needs, how they protect themselves, and how some animals are born from eggs. In math, TK is learning to identify and describe shapes and their attributes.

First and Second Grade Explorers

Mrs. Mittge

Scripts for our Christmas play "There Was An Old Woman Who Swallowed Some Christmas Sprinkles" were placed in students' Boomerang Folders on Monday.

Students need their lines memorized by Dec. 15th. We will be practicing at school but **students also need to be rehearsing at home**. Parents, please read the whole play aloud to your child from start to finish so s/he can hear the plot of the play and become familiar with when to deliver his/her line. When you reach your child's part s/he should practice reading the line(s) with expression and in an assertive tone.

We are in **need of cardboard boxes** for the play. It would be greatly appreciated if families could donate any boxes. I am working on costumes at school and will reach out if there are any things that families can do to help. If you have any ideas or contributions, please do not hesitate to contact me.

Thank you for your support!

Third and Fourth Grade Classroom

Mrs. Mars

Students had the opportunity this week to visit the Cowlitz Falls Dam and learn all about how dams make and store power. We learned the dam produces enough power to power one third of the residents in Lewis County.

Fifth and Sixth Grade Classroom

Mr. Burlingame

This week has been full of learning and excitement! In ELA, we continued reading *Bud, Not Buddy* and had some great discussions about the story's humor and deeper messages. Our class also enjoyed a wonderful field trip to Cowlitz Falls Dam, where students learned about local energy production and the importance of our natural resources. In math, 5th graders practiced multiplying decimals by 10, 100, and 1,000, while 6th graders explored positive and negative integers and learned how to compare them on a number line.

In social studies, students began learning about European expansion into the Americas and how those events shaped history. In science, we examined food webs and the delicate balance within ecosystems. To top it all off, students have been putting great effort into rehearsing for our upcoming play — their enthusiasm and teamwork have really brought it to life! It's been a productive and enjoyable week in our classroom.
