AT THE CROSSROADS

You to the left and I to the right
For the ways of men must sever—
And it well may be for a day and a night,
And it well may be forever.
But whether we meet or whether we part
(For our ways are past our knowing),
A pledge from the heart to its fellow heart
On the ways we all are going!
Here's luck!
For we know not where we are going.

Not now, but some day
there may come a time
when you are lonely
and feeling blue, then just

TRY TO REMEMBER

the good old days
when there was
a happy time for us.

Turn the pages of this book
and try to remember.
Rest and reminisce
as you live in the past
forgetting how time has flown
and all seeming like yesterday.
Then with courage renewed
shake off the gloom and
face the coming day
with a smile, and

TRY TO REMEMBER

that today is unique--
it had never happened before,
it can never happen again,
and for one brief moment
it is all-important.

So make the most of it
accepting all it brings.
Then why not sit back and
really enjoy life
by finding all
the wonderful things
God has for all of us,
if we will but
stop and look and
