Good morning!

Please pause for a moment of silence.

Please stand for the pledge.

- Students - If your StudentVue account has been disabled, that means that your information has not been updated by your parents online. Please ask your parents to go to ParentVue and update your information so your StudentVue account can be re-enabled. If you need help with this, see Ms. Kelli McWhorter in the office.
- The cafeteria will be serving FREE breakfast during EOC testing weeks. During this time there will not be a second breakfast.
- English EOC Testing will begin on Monday. We will be running on the Block Schedule all next week. On Monday, students will go to 2nd, 4th, and 6th periods. Students should be prepared to begin testing as soon as they enter their English classroom. That means you should have already been to the restroom and all devices, such as phones, smart watches, and airpods should be powered off and placed in your backpack. Students should try their best to be present and on time on the days that they are testing. If students have any questions about testing, please ask your English or Math teacher. Continue to check your email for additional testing information.

***Happy Birthday to Tracy Taylor, Ireland Brock, Sadie Hockett,

Thought of the day:

“Spend a little more time trying to do something with yourself and a little less time trying to impress people.”

Have a Fierce Friday and remember, we are proud to be a Raider!
