

Questions I still have about credits/classes:	Answers
I don't have an English, and I have a good amount of credits I still need to get due to my schedule being messed up.	You will need to talk directly to your counselor about this.
I was wondering if im in agriscience will i be able to do work based learning in senior year for another class	Possibly, you would need to talk directly to your counselor about it.
If I took AP Computer Science this year and I still need a upper class math. Will my computer science class still count for it?	Possibly, you would need to talk directly to your counselor about it.
I took Computer Science at the Academy. Would it still count as an Upper Level Math?	Yes, it can count as an upper level math.
Is there a limit to how many times you can change your program of study before graduation?	As long as you have 3 credits in the SAME program of study, no.
It says JROTC 3 counts as one full history credit, does that mean ill still have to take economics? same with personal finance, if im	JROTC counts towards your personal finance and us government credit. You will still need to take economics.
i need to figure out what all classes i need.	Counselors will meet with you during your English Class to help you choose classes.
I meant to say what would be best for if you wanted to be a councilor, pediatrician, nurse, or a police officer/some one that helps	people when you grow up like what classes would be better for those.
Is it possible to take gym one semester and personal finance the other	There are several paths for helping professions. Humanities like Psychology and Sociology are always a good idea.
What will Engineering Practicum consist of?	Talk with Mr. Spears. He can explain this course to you.
If you have taken 3 different choirs, does that count as all three credits for the program of study?	Possibly. You would need to meet with your counselor to be sure.
If I took DE Fund of Speech/Comm would it cover my English 4 and Fine Art credit, or just one of them?	Just one or the other
If I take WBL my senior year will it cover my Cosmetology III credit without working at a cosmetology related place?
