Proposed Projects

Phase 1

- ▶ Build a new Early Learning Center that will include Pre-K and Kindergarten. The location will be behind DPES and to the left of the new YMCA. Entrance will be off McQueen Smith.

Phase 1 doesn't hinge on the proposed Ad Valorem increase. However, Phase 1 is all we can do without an increase in Ad Valorem Taxes.

Timeline: Fall of 2022

Estimated cost: \$25,000,000.00

Proposed Projects

Phase 2

- ▶ Add additional PE/activity space and increase lunchroom capacity at Daniel Pratt Elementary School and improve traffic flow between DPES and Prattville Early Learning Center(3 million)
- ▶ Build a new elementary school on the current site of PES and PIS(25-30 million)
- ▶ Purchase land for a new PHS (100 acres)
- ▶ Purchase land for a new elementary school for the East Memorial area of Prattville(20 acres)
- ▶ Increase STEM related programs in all schools
- ▶ Expand co-curricular and extra-curricular programs at all campuses
- ▶ Renovate existing Autauga County Technology Center (5 million)

Phase 2 Proposed Timeline

Begin design process
November/January 2023

Proposed Projects

Phase 3

Build a new Prattville High School for grades 9-12. Included in the plans:

- ▶ A Fine Arts Center that will allow us to expand our Fine Arts Programs. The facility would be available for community use.
- ▶ Baseball and Softball facilities
- ▶ Gymnasiums
- ▶ Competition Track and Field facility

Estimated cost:

\$100,000,000.00

24 month construction period

Phase 3 Proposed Timeline

Begin Summer of 2025

Proposed Projects

Phase 4

- ▶ Renovate the current PHS facility and move PJHS and Second Chance to the renovated facility
- ▶ Build a new elementary school in the East Memorial area (25-30 million). 18-24 month construction process
- ▶ Renovate PPS to contain the Central Office and other district-wide offices and programs (3.0 million)

What does a 15 MILL increase mean for Class 3 Property (10%)

Current 10 MILL Levy

- ▶ \$100.00 per \$100,000.00 ASSESSED value (property value times assessment rate)
- ▶ \$7,985,040.00 revenue per year
- ▶ \$8.33 per month

Proposed 15 MILL Levy

- ▶ \$150.00 per \$100,000.00 ASSESSED value (property value times assessment rate)
- ▶ 5,000,000-8,000,000 increased revenue per year in the Central/Daniel Pratt zones
- ▶ Minimal increase of \$150.00 per \$100,000 to current tax assessment. \$150.00 year increase divided by 12 months=\$12.50 a month

Phase 4 Proposed Timeline
