

Sixth Grade Weekly Newsletter

Week of: 9/15 - 9/19

Language Arts
Mrs. Clark

This week in English class, we will be starting our first novel, *Hatchet*! We will be reading this novel daily, so be sure to ask your student questions about it.

We will also be continuing to work on our first project in English class, writing our own short stories. This will end with a publishing party in November.

Thank you for your support!

History
Mr. Hummill

mhummill@rappahannockschools.us

We are studying immigration, industrialization, and imperialism. We will have two projects for this unit – one is a poster and the other is a letter to a Congressman.

Math
Mrs. Riggs

This next week we will be continuing to learn about Integers. (positive & negative numbers.) We will begin learning how to add, subtract, multiply and divide integers. We will also be looking at real world applications.

Please continue to discuss words and situations that would use positive, negative, and zero.

Thank you for your help!

Important Announcements

Please read for 20 minutes every day!
