

Week of: August 28th – September 1st

Theme: All About Me

This week will be filled with activities focused on our All about Me theme! The children will get to share their All about Me project with their peers. We will use all of the children's All About Me projects to create a book for our classroom! We will have whole group and small groups. We will read theme related books. Music and movement will consist of singing and dancing to theme related songs. We will attend music class on Wednesday! We will conduct a science experiment that will consist of learning about our fingerprints. We will continue to practice and review rules and procedures to maintain safety at school. We will continue to discuss making choices, being a friend, problem solving, and how to handle feelings appropriately at school.

We will work on the following literacy skills: letter identification, letter sounds, and syllables. We will use Unifix cubes to work on the following math skills: counting, number identification, quantifying, sorting, measuring, and patterns. We will strengthen our fine motor skills by writing our names. This week will be filled with fun while learning about our letters, numbers, and each of the children in our class!

We are looking forward to a great week in Pre-K!

Reminders:

-Arrival - 7:40 AM - 7:50 AM

-Dismissal - 2:25 PM - 2:40 PM

Daily – Mark your Child's Breakfast & Lunch Calendar to verify how they are eating Breakfast & Lunch
