

Franklin County Schools Student Enrollment and Registration Instructions:

1

On the District Website click on the Parents/Students tab, then click on the link for Skyward Family/Student or click [here](#).

2

If you don't already have one, you will need to request a Skyward account.

3

Use your newly created or existing Skyward credentials to log in to the system.

4

Follow the prompts to fill out the necessary forms and provide the required information about your student and family.

5

Upload documents; such as proof of residency, birth certificate, and immunization records.

6

Carefully review all the information you have entered and submit your application.
