Colebrook, a small town in Coos County New Hampshire with a population of approximately 2,300 citizens, is situated in the Great North Woods Region, bordered on the west by the Connecticut River.

Colebrook Academy is a NH accredited public high school that enrolls approximately 120 students in grades nine through twelve. The Academy offers a strong college preparatory track, New this year is the addition of North Point CTE. These programs not only allow for potential college credits but industry recognized credentials that will put students ahead in their chosen career path. Students can attend the Academy from surrounding towns in NH. (Errol, Millsfield and Stewartstown)

2022 - 2023

At Colebrook Academy & Elementary School, both a weighted and unweighted GPA are calculated and recorded on students' transcripts. The weighted and unweighted GPA will also be noted on semester #1/quarter#2 and semester#2/quarter#4 report cards.

CAES follows a 4.0 GPA scale with added weighting for some courses. The un-weighted GPA is an average of grades on the 4.0 scale without any weighting added (SEE WEIGHTING OF GRADES SECTION BELOW). Courses are weighted depending on their degree of difficulty. If a student takes more challenging courses, the grades earned weigh more than the grades in less challenging ones.

Students are encouraged to select courses that stretch and challenge them. They should focus on performing well and achieving their best. They are reminded that more than "hitting a number" (having a certain GPA), they should prepare themselves academically and socially for whatever next step they pursue after graduation.

CAES uses the following algorithm to calculate the weighted GPA: Average of GPA points, with credit value for each course considered, divided by total number of credits attempted.

## Graduation Requirements

English - 4 credits  
 Math - 4 credits (Algebra I required)  
 Social Studies - 2 credits  
 Science - 3 credits  
 Physical Education - 1 credit  
 Fine Arts - 1/2 credit  
 Information & Communication Technology - 1/2 credit  
 Health - 1/2 credit  
 Personal Finance / Economics - 1/2 credit  
 Community Service - 1/2 credit  
 Open Electives - 10 1/2 credits

## Dual Enrollment/Running Start Courses

Students can take courses for high school and college credits concurrently. Running start courses are taught by our teachers and have been credentialed by the community college system of NH. The current partnerships exist with White Mountains Community College and NHTI. For the 22-23 year Colebrook Academy will be offering college composition, American Literature, Biology, creative writing, chemistry, medical terminology, human biology, pc/mobile hardware, database design, programming with python, pc os security, Spanish III & IV, Intro to drawing, drawing with color, legal & ethical issues. Students can also earn college credit through NH's estart and Early College programs.

## Career and Technical Education (CTE)

Students can attend the newly created North Point CTE center located in Colebrook. The center offers 5 programs: Automotive, Information Technology, Health Science, Hospitality/Culinary and Education. Juniors and Seniors also have the option to attend any of the 4 programs offered at the Canaan VT CTE center which include; Building Trades, Fire Services & EMS, Diversified Agriculture and Business. CTE is student-oriented and combines academic skills and technical knowledge necessary for success in today's workforce. Students can earn a variety of college credits as well as industry recognized credentials.

## EXTRA-CURRICULAR ACTIVITIES

### Clubs

Key Club
