

School Council Meeting for September 26, 2023

Members Present

William Wilson

Introduction of Council:

Mr. Wilson introduced all the members and the committee talked about adding a new business partner.

Review of minutes of last meeting:

Elections:

Mr. Wilson talked with the committee about our CCRPI score and where we are and what gains Russell has made.

School Goals for the year/School Improvement Plan:

Mr. Wilson explained the school's CCRPI Scores. Our CCRPI for last year and what we are doing to improve with growth. We increased points based on growth. We are waiting on need results sometime in October. He explained that the CCRPI scores are lagging data. He also explained the goals of our school. Mr. Wilson explained that his LKES goals focus on implementing the TKES process effectively and helping the fifth graders who did not pass the science and social studies portion of the fifth grade Milestones to become more responsible for their learning and their goals.

Title One Budget:

Mr. Wilson explained that we have money for tutoring. He asked the grade level to talk to their team members about the tutoring.

Council of Concerns:

Mr. Wilson explained what we would not have this year and because we need to assess what is working as far as programs. WE would then reassess the need next year. Mr. Wilson brought up the fact that the school has bought ISTATON, reading resources, and ESGI. Mr. Wilson asked about the reading logs and the teachers talked about how they were trying to get the kids more involved.

Adjourned

Mr. Wilson and the committee ended the meeting but not before giving the dates for the next meeting.
