Summer Programming Guide

High School Students

Manson Mesa High School- Summer Programming

Dear Parent/Guardian:

This summer we are offering a wide variety of programming to our high school students. With the programming, a student also has access to FREE breakfast and lunch as well as transportation. In order to plan for staffing and learning experiences, we ask that you register for your program(s) of choice. The attached packet of information provides you information about daily routines, transportation, food service, and programming. Be aware the programs have limited seats available and some students may be placed on a waiting list. Everyday attendance is expected with each program. Take a look at the calendar to ensure the program dates work with your family's summer schedule. Unless a program states otherwise, the program will run the full 5 weeks of summer school.

Open enrollment has closed. Call Trina Hubbell at 928-608-4153 for information about open seats in each program.

Schedule:

- When: May 31, 2022 – June 30, 2022 - 7:30 am to 12:30 pm
- Where: Manson Mesa High School Campus
- Breakfast & Lunch is served FREE of charge
 - Breakfast - 7:30 am to 7:55 am
 - Programming - 8:00 am to 12:30 pm
 - Lunch - 11:00 am to 11:30 pm

Program Offerings

VACATION ACADEMIES- 5 week programs at Page High School

Summer Bridge Academies

- Language Development- grades 9-10
 - Students engage in interactive team-building activities that focus on developing a comfortable and connected scholarly community, while accelerating language acquisition and providing access to rigorous language development coursework.
- Algebra Extension- grade 9
 - Students strengthen their understanding of fundamental math and algebraic concepts to provide a bridge for success between Algebra 1 and continued high school math courses.
- ProPhone and the Environment- grades 9-10
 - Students engage in project-based learning opportunities through inquiry and investigation in environmental science, biology, and math to solve real-world problems. Focus areas include student investigations in experimental design and analysis, soil and water testing, topographical maps, biodiversity, population growth, data collection, and mathematical analysis. The project culminates in student presentations to a panel of judges.

CAREER AND TECHNICAL INSTITUTES- 5 week programs at Page High School

Welding and Fabrication

- Located at Page High School for grades 9-11
 - Students who enjoy hands-on learning, making cool stuff out of steel, and welding are encouraged to sign up for the Welding and Fabrication Institute. Learn what it might be like to work in a custom fabrication and production welding shop. Students willing to work hard and work safely are welcome.

ENRICHMENT CAMPS- 5 week programs unless otherwise noted

eSports- Students in grades 6-11 at Page High School

- May 31-June 2
 - Beginner Rocket League Camp
- May 31- June 9
 - Beginner Valorant Camp
- June 6-9
 - Rocket League Camp
- June 13-16

- Identified students in grades 9-12

COMMUNITY EDUCATION

- Navajo Nation Math Circles with Coconino Community College
 - 2 weeks- see calendar
 - Running and Fitness 2 day camp with Wings of America
 - 2 days- June 22-23
-

Attendance Expectations and Procedures

Attendance is expected everyday of a program. Take a look at the program calendar to ensure a good fit with your family's summer schedule. If a student enrolls in a program and doesn't show up for summer programming, the school will make efforts to contact the family. If contact is unsuccessful, the school will open the spot for a student on the waiting list to attend. Please keep contact information up-to-date with your child's school to ensure communication gets through.

Behavior Expectations and Procedures

We aim for engaging learning environments during summer programming. In order to achieve this, we expect our students to come to programming ready to participate and learn. The school will utilize their established Code of Conduct in order to deliver engaging learning environments for all students. The school will also utilize their established procedures for intervening on and addressing behavior issues that do not meet the Code of Conduct.

Transportation Information

The district has three (3) summer routes. Make sure to select your primary method of transportation on the application form. Use route information below to make this decision. If your transportation method needs to change, contact your school to communicate the changes. Depending on the timeliness of your communication, the request may or may not be possible.

Manson Mesa High School- Summer Programming

Credit Recapture and Course Extensions

Dear Parent/Guardian:

Your student is invited to attend summer programming due to not meeting the academic criteria set for this school year and falling behind on graduation progress. With the programming, a student also has access to FREE breakfast and lunch as well as transportation. Your student has the opportunity to recapture 0.5 credit towards graduation; this is equal to a semester's worth of learning. Be aware that programs have limited seats available and some students may be placed on a waiting list. Everyday attendance is expected with each program. Take a look at the calendar to ensure the program dates work with your family's summer schedule.

Open enrollment has closed. Call Trina Hubbell at 928-608-4153 for information about open seats in each program. Call the office with questions regarding graduation progress (928-608-4340- Mr. Jeremy Poole).
