

Redland Middle School offers accelerated and honors classes, as well as Spanish, music, and a variety of STEM electives and opportunities. RMS students are given the opportunity to participate in a wide variety of extracurricular activities, including football, cheerleading, dance, basketball, tennis, golf, wrestling, soccer, baseball, softball, track, band, and robotics. RMS students also have the opportunity to try out for sports and extracurricular activities at Wetumpka High School.

Below are programs available for RMS students to participate in:

- Eagle Period- daily flex time for lunch and enrichment
- Computer Science classes taught to all 5th and 6th grade students
- STEM classes offered to all 7th and 8th grade students through Project Lead the Way
- StarBase partnership to offer a weekly drone class
- WRES News—Student produced and directed weekly news show.
- Jr. BETA Club
- Student Council/S2S
- Bookclub
- library helpers
- GATE Classes
- Lagoon Park First Green Program
