

Extra-Curricular Committee Meeting

Wednesday, March 16, 2022

6:00 pm

Superintendent's Office

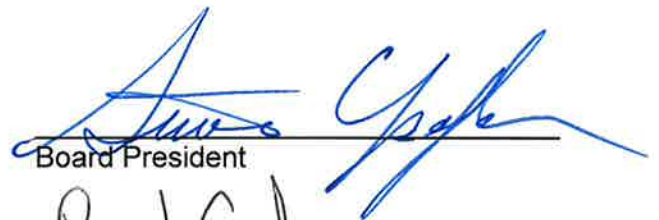

Present: Shinall, Updyke, Johnson, Snyder, Kreiter, Robison, Sunderland, Albritton

Chairperson Johnson called the meeting to order at 6:00 pm.

Snyder and Meyer were interested in the co-op and the potential of a junior high soccer program. It is not an IESA program. There are no school-based programs around us. Would a soccer club be something worthwhile with some games? The spring would be the best time to do it from a youth sports (IESA) calendar. The committee would recommend to look into an intramural program at the grade school level for next spring. It would be a volunteer opportunity. Scheduling with JFL would also be a consideration.

Discussion was held on the co-op agreement between Brimfield and Elmwood. Numbers of students coming from Elmwood was discussed. Pros and cons of extending the agreement were discussed.

Meeting was adjourned at 6:50 pm

Board President

Board Secretary
