PLEDGE OF ALLEGIANCE

CHEMIC SALUTES

Kylee Davis & Natalie Schmidt - Kylee and Natalie were recently selected for the MSVMA Regional Honors Choir. This weekend they will rehearse and perform with the regional honors choir and audition for the State Honors Choir!

Ella Karbowski and Chloe Greer - These two have worked tirelessly to bring Native American Heritage Month awareness to MHS. They have put in many hours over multiple school years on this including developing the wording to be used and scouring the internet for brief and effective videos to show.

Chemic Athletes -A big shout-out to everyone who took the time to give back to the younger kids who look up to them! From our football players pumping up the future Chemics during the fall season to our hockey team & Vic the Lion showing up at the Woodcrest Elementary Holiday Shop. Your investment in our elementary kids has been great . . . word is that some of the kids wanted to get pictures with Vic and the team rather than with Santa?!?

Computer Tech Peeps - Congrats to the 42 (!?!!) computer tech students who recently passed their PowerPoint certification exams. These industry-standard tests are a solid step towards future employability - way to go!

POSITIVE THINKING

Cheer on Your Friends: Empower your friends to shine in their own way and to reach for their dreams. Offer to help them realize their goals. Cheer when they hit their benchmarks. Celebrate together. Practicing a positive mindset can be done alone, but it feels even better when done with friends and family. Elevate your positivity by bringing your friends and loved ones into the fold.

SPORTS ACTION

Last night your Chemics freshman basketball team lost a hard-fought battle with Bay City John Glenn 38-32. Despite the loss, Caysen Weideman had a strong performance with 14 points, and Harrison Worsley and Dylan McDonald both contributed 6 points each. On the defensive end, Lucas Dooley and Cameron Randall were working hard to help the team. The next game is Friday at Caro, with a 4pm tip-off. Let's hope the team can bounce back strong!
