

# 2026–2027 KINDERGARTEN TRION CITY SCHOOLS APPLICATION FOR ENROLLMENT

The Trion City School System includes PreK-5 (Elementary School), grades 6-8 (Middle School), and grades 9-12 (High School). There is a rich tradition of academic excellence throughout the school system as evidenced by many academic awards and accolades. We appreciate your interest in applying for admission at Trion City Schools for the 2026-2027 school year.

The following application is to be completed and signed by the primary custodial parent/guardian of the student. Applications are submitted and evaluated annually, whether the student is an existing student of Trion City Schools or a new applicant. **Please initial in the appropriate spaces to indicate your understanding of the policies of Trion City Schools.** Acceptance and continued enrollment of students living outside Trion City School district are based on each of the following criteria:

***(Initial here)***

- \_\_\_\_\_ Availability within the grade level in which the student has applied
- \_\_\_\_\_ Academic Achievement, including course grades and local & state assessments
- \_\_\_\_\_ Attendance Record, including absences and tardies
- \_\_\_\_\_ Discipline Record
- \_\_\_\_\_ Parental/Guardian Support and Cooperation

### **Tuition:**

There is a \$200.00 tuition fee per child if he/she resides outside the Trion City limits attendance area. The maximum tuition fee per family is \$450.00. **This fee is due by April 01, 2026.** If a payment plan is needed, contact must be made with the office of your child's school. The custodial parent/legal guardian is responsible for paying the fee before the student may enter school. Admission does not mean permanent or on-going acceptance into the Trion City School system.

### **Residency:**

- Residency is determined by the residence of the custodial parent/legal guardian. A custodial parent is defined as the parent who has been given legal primary guardianship by the court.
- Any resident student may be asked to supply proof of residency at any time. School officials may also visit the residence for verification at any time.
- Any custodial parent or legal guardian who knowingly and willingly falsifies an application shall cause the student to be dropped immediately from the school roll.
- It is the responsibility of the custodial parent/legal guardian to notify the school when there is a change in residency. If city residency should change during the summer months, a non-resident fee is due. If non-resident status should change to city resident status during the summer months, a refund is due for any amount already paid, and proof of residency must be submitted. Please refer to board policy JBCB regarding all other refunds and/or tuition payments.

\_\_\_\_\_ I am exempt from tuition due to living inside the city limits of Trion. I have enclosed a CURRENT UTILITY BILL (**Gas or Water - GA Power NOT accepted**) in the custodial parent's name, and I understand that an updated utility bill will be requested at the beginning of the 2026-2027 school year, along with an application update. Check the appropriate space to indicate the form of residency proof.
