WORD STUDY ▶ **MULTIPLE-MEANING WORDS**

Multiple-Meaning Words are words that have more than one definition. Readers can determine the meaning of a multiple-meaning word by the way it is used in the sentence and by the words that surround it. The word *bark* is an example of a multiple-meaning word. It can mean “a sound that a dog makes” or “the outer covering of a tree.” Readers can determine which meaning is intended by looking at how the word is used in a sentence.

A. DIRECTIONS: Select the definition that fits the underlined word as it is used in the sentence.

1. The woman’s fair complexion meant that she got freckles when she went out in the sun.
 - a. in accordance with rules
 - b. light; blond
2. The cashier at the store gave Sophia her change.
 - a. money returned when amount paid exceeds amount due
 - b. act of becoming different
3. She kept a potted plant and an umbrella on the deck.
 - a. a pack of cards
 - b. roofless area connected to a house

B. DIRECTIONS: Choose the sentence that uses the same meaning of the underlined word.

1. Mark is going to charge his tuition.
 - a. She was afraid the bull would charge.
 - b. Don’t charge that book; pay cash for it.
2. Lance had a minor role in the film.
 - a. The changes she made to the paper were minor.
 - b. Nina’s parents had to sign for her because she was a minor.
