WELCOME

Dear Parents and Guardians,
Odem High School kicked off the 2024-2025 school year with a couple new teachers and staff members. The first six weeks flew by. Owl football is underway as the Owls remain undefeated and the Lady Owls are contending for a playoff spot. October is a busy month with homecoming, college visits and marching contests. Keep up the great work everyone and Go Owls!

IN THE CLASSROOM

Mr. Rivera's Art class worked on a project called, "The Masterpiece Zentangle". These works of art are displayed across the campus.

Faith Cisneros felt the project was time consuming and it was difficult to draw patterns. It took about 7 days to complete. Despite the high level of difficulty, she welcomed the challenge and rated art class a 10 out of 10!

Makenzie Martinez finds art class pretty fun and chill. She felt the zentangle project was easy but quite time consuming. It took about 3 days to complete and two attempts to complete to her satisfaction.
