What is the nominee's connection to Cornerstone Montessori Elementary?

Parent Community Member Teacher

What special skills or experience do you/your nominee possess that would benefit the CMES board? Possibilities include fundraising, Montessori experience, involvement within the local/school community, and any other areas of expertise.

Do you/your nominee have any previous or current experience as a member of a board of directors? If so, please describe.

Why do you/your nominee wish to serve on the CMES board of directors?

If you are nominating someone other than yourself have you talked with the nominee about serving on the board? What was the nominee's reaction?

Elementary children adore big work! They revel in long division problems spanning paper equal to their own height or constructing a to-scale empire state building with such intent they can hardly stand to break for lunch! The Cornerstone Board of Directors is looking for adults with that same insatiable desire to do big work! We are asking candidates to commit to a minimum of 6 to 8 hours of board work per month. We hope you consider joining us!

Please return this completed form to Chris Bewell in the CMES office
NO LATER THAN April 5, 2024.
