ANNOUNCEMENTS

Black History Month:

Listen up, Chemics, for your chance to win a Taco Bell gift card when you complete the weekly Black History Month trivia quiz tomorrow. Today we would like to introduce you to another Historically Black College. Howard University, founded in 1867 and located in Washington D.C., ranks among the highest producers of the nation's Black professionals in medicine, dentistry, pharmacy, engineering, nursing, architecture, religion, law, music, social work, and education. As referenced on the university's website, "The University has long held a commitment to the study of disadvantaged persons in American society and throughout the world. The goal is the elimination of inequities related to race, color, social, economic, and political circumstances. As the only truly comprehensive predominantly Black university, Howard is one of the major engines of change in our society. Through its traditional and cutting-edge academic programs, the University seeks to improve the circumstances of all people in the search for peace and justice on earth."

Dual Enrollment: Attention new and returning dual enrollment students, Enrollment Authorization Forms for next school year are due SOON (February 21st to be exact) to the counseling center. If you need assistance with completing your Enrollment Authorization Form and adding the courses to your Delta Plan, stop by the Media Center with your Chromebook during either lunch TODAY and we will assist you with these last few steps.

Ski Club: This week's forecast calls for a 100% chance for gnarly turns, sweet tricks and epic fails, the kind that end in laughter, and frosty high fives. The Midland High Ski Club will embark on a new adventure next Thursday and head North to the backcountry slopes of Caberfae. We will depart Midland High at 3:00 sharp. This event is more than your average winter gathering. If you are looking to write a new chapter to your high school experience, then be sure to come check out this frosty good time. All are welcome. Let Mr. Little know if we can save a seat for you.

Softball: Attention softball players: There will be a brief informational meeting on Monday February 24 at 2:30 in room 322. If you cannot attend, please see Coach Starling or Coach Westendorf. Go Chemics!

POSITIVE THINKING

Pursue Your Interests

Your life is yours to live. Your dreams are yours to achieve. You won't find happiness if you only work toward the goals other people set for you. True happiness occurs when you figure out who you are, who you want to become, and what you need to bridge the gap. This begins with pursuing your own interests. Ask yourself: *What am I passionate about?* Start there and don't stop.

SPORTS ACTION
