KINDERGARTEN NEWSLETTER

NOVEMBER 2026

What's Happening:

Happy November! We are continually learning new things every day. We are busy working on numbers and learning about our Superkid, Alf.

We have been working on writing and recognizing all the upper and lower case letters of the alphabet and numbers 0-20. We will keep working on writing letters and numbers every day.

We have started to identify onset (beginning sound) and rime (ending sound) of a word and identfiy where individual words begin and end, as they are separated by spaces. In the coming weeks we will start working on addition equations to 5.

ABC Letter Sounds & Names:

Keep practicing saying their letter names and sounds at home nightly.

Heart Words:

Go through these cards multiple times a week.

Monthly Reading Challenge:

November's Reading Challenge is attached to this newsletter. Complete as many of the challenges as you can before Monday, November 30, 2026. Those students who turn in their November Reading Challenge at the end of the month, will receive a Pizza Hut Book It! certificate.

Changing Weather

It is starting to get colder! We go outside for recess in all weather, so please make sure you are packing your child with labeled coats and warm clothes. It would also be great if you could pack them an extra change of clothes for their backpack in case they get wet outside.
