A Families Guide to Title I

What is Title I?

Title I, Part A is a federally funded program under the Every Student Succeeds Act (ESSA). The purpose of Title I under ESSA is to ensure that **all** children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

Which Houston County schools are Title I schools?

CB Watson Primary	Northside Elementary	Shirley Hills Elementary
Centerville Elementary	Northside High	Thomson Middle
David Perdue Primary	Northside Middle	Tucker Elementary
Eagle Springs Elementary	Parkwood Elementary	Warner Robins High
Huntington Middle	Pearl Stephens Elementary	Warner Robins Middle
Miller Elementary	Perry Middle	Westside Elementary
Morningside Elementary	Russell Elementary	

What supports are provided through Title I?

The Title I Program offers a variety of supports, which may include, but are not limited to, additional teachers, support staff, instructional materials and supplies, technology to support student learning, tutoring, professional development for school staff and capacity building events for families.

What role does family engagement play in Title I?

Family engagement is an integral part of the ESSA law. Districts and schools receiving Title I funding must:

- Ensure that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, families, and administrators can measure progress against common expectations for student academic achievement.
- Afford families substantial and meaningful opportunities to participate in the education of their students.

Families,

You can have a tremendous influence on your students' success in school. By partnering with the school and participating in the Title I program, you will:

- show your student that you support and value his/her education.
- be able to closely monitor your student's progress.
- build stronger relationships between home and school.
- provide valuable input about schoolwide programs.

Research shows that students whose families are engaged perform better academically, socially and behaviorally. Be sure to become involved in your students' school by:

- communicating regularly with your students' teacher.
- attending academic-based family events and parent-teacher conferences.
- volunteering at the school.
- joining the Family Action Team or School Council.
- providing input concerning the Title I program at the school.

What is Title I?

Westside Elementary School is identified as a Title I school as a part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with family members a written family engagement plan and compact.

THE CONNECTION

What is it?

The Connection is a comprehensive document joining our School-Family Engagement Plan and Compact together with the purpose of strengthening the bond between school and home. The Engagement Plan describes how our school will provide opportunities to improve family engagement that will support student learning at school and at home. All students and their families are invited and encouraged to fully participate in the opportunities described in this plan. The school will provide information and as many opportunities as possible for the participation of all family members. The Compact explains what teachers, families and students each will do in an effort to work together to make sure that our students reach grade level standards. The Compact is discussed with families during teacher conferences throughout the school year.

How is it revised?

The Connection is jointly developed and revised by our school's stakeholders. All families are invited to attend our annual Shared Decision Making Meeting (SDM) held each spring. Families are asked to review and give feedback on the Engagement Plan, Compact, and budget including the 1% set aside. All feedback forms from the SDM Meetings are collected, reviewed and used to revise this document and to improve program planning for the next school year. Families who are not able to attend the SDM Meeting have the opportunity to provide input by completing an online feedback form and completing the Title I Satisfaction Survey that seeks suggestions regarding the plan, compact and budget.

Who is it for?

The Connection is for all students attending a Title I school and their families. We encourage and invite families to fully participate in the opportunities described in this document. Our school will provide full opportunity for the participation of family members with limited English, with disabilities, of migratory caretakers of students served in Neglected and Delinquent Centers.

Where is it available?

The Connection is included in our Title I Handbook that is provided to all families at the beginning of the year or whenever a new student enrolls. The Connection is also available on our school website and in our Family Resource Center. Families can request a copy at any time during the school year.
