Due to an increase of 18% in food cost since last year, we have been forced to increase the price of school meals for this upcoming 2023-2024 school year.

Students are allowed to purchase additional items for sale if they have money on their accounts. Additional items cannot be charged. Charges are reserved for meal purchases only. Students that bring a lunch from home can charge a milk to accompany their meal. Carroll County's charge limit is \$10.00. Money can be deposited into a student's account using the online payment option: www.myschoolbucks.com

Gov. Kemp has chosen to use ESSERS funds from the federal government to cover the cost of reduced meals for the 2023-2024 school year. Any child completing a meal application that qualifies as reduced, will receive free meals. At this time, only the 2023-2024 school year has been approved for this benefit.
