

Maintenance Position

Lohn ISD

Posting date: 04/22/2026

Closing date: Until filled

Lohn ISD is looking for a responsible individual to maintain and upkeep our facilities. The external and internal appearance of a building reflects on the occupants. It is important for a maintenance worker to have foundation skills that will support proper maintenance of facilities and be willing to work with existing staff for overall improvement of the school campus, including school houses and transportation fleet.

The ideal candidate will have experience in the role of maintenance and will understand the importance of ongoing upkeep of the overall facility. They will have physical endurance to cover a large space, and a keen eye for detail.

It is difficult to cover all duties and responsibilities necessary for this position, as it changes daily based on the needs of the various aspects of the campus.

Maintenance Duties and Responsibilities

- Keeps buildings and property in working condition.
- Performs routine maintenance and upkeep activities.
- Performs some heavy cleaning duties.
- Understands the need for flexibility on a day-to-day basis
- Notifies supervisor regarding the need for repairs or additions to building operating systems.
