

Be on the lookout for your new ASBAIT ID card. This will be coming in the mail and effective July 1, 2023. In the meantime, you should also confirm your address is up to date during open enrollment so you receive them on time.

**Your ID card contains valuable information for you and your providers about your health care benefits. On it, you can find:**

- ASBAIT plan details.
- Your provider network.
- Billing information.
- Medical and prescription benefits.
- Customer Service numbers.
- Teladoc Health™ information.
- And more.

Take your ID card with you to your appointments to help ensure you get the most from your ASBAIT benefits coverage.

All ASBAIT plan members over the age of 18 will be issued new ID cards prior to July 1, 2023. You may continue to use your current cards until you receive your updated ID card. The front of your new ID card will now list certain benefit levels.

If you need new or replacement ID cards, please contact Meritain Health® Customer Service at **1.866.340.8449**.

You can also print ID cards when you log in to your ASBAIT member website at [www.meritain.com](http://www.meritain.com).
