FINANCIAL REPORT FOR THE YEAR ENDING JULY 9, 1906.

READ THIS.—*If the following report is correct, the totals of receipts and expenditures will balance. Care should be taken to enter each item and its proper heading, and to be included in the item "Received from Loans." It is really money borrowed, and should also be included in the amount due the district from all sources, or for other expenses it should be included in the item "Indebtedness" (item 15 above). Do not foot up the columns alike unless they actually add up alike.*
